***Answer to the question from the interested supplier
in open competition "Quality assessment study on usage of local mineral
materials for Rail Baltica Railway project",
identification number RBR 2018/24***

RB Rail AS presents the following answer to the question received until 27 September 2018 from the interested supplier:

No	Questions	Answers
1.	Would the situation in which a tenderer has been awarded a contract in the procurement "Quality assessment study on usage of local mineral materials for Rail Baltica Railway project" (identification No. RBR 2018/24) and at the same time this tenderer is involved as a subcontractor for the design works of the company which takes part in procurements "Design and design supervision services for the construction of [•]" (identification No. RBR [•]), "Design and design supervision services for [•]" (identification No. RBR [•]) be considered as a conflict of interests regarding to the tenderer in question and would it be reason for the exclusion of a company from the participation in the latter two procurement procedures?	<p>In response to a question from an interested supplier, the procurement commission indicates that the potential conflict of interest situations are assessed on a case by case basis in each procurement procedure separately. At this stage procurement commission is not able to completely determinate that there may or may not be potential claims related to conflict of interest from involved parties in any upcoming procurement procedures.</p> <p>However currently procurement commission does not see any specific constraints from the participation in this specific study.</p>
