

**The use of Rail Baltica logo
Visual Guidelines**

Rail Baltica project involves the construction of a new European standard gauge high-speed rail line infrastructure to connect Northeast Europe with Central and Western Europe and beyond. Rail Baltica is a unique and complex transnational infrastructure project, financed by the Estonian, Latvian and Lithuanian states and co-financed by the European Union.

The project implementation is carried out by various official players. However, there are many partner organisations interested in the project and could be in need to use Rail Baltica logo for the project's visibility purposes. The logo of Rail Baltica is a protected trademark belonging to RB Rail AS, the central coordinator of the project.

Terms and conditions of use

The logo of Rail Baltica may be used by the following official parties:

A project central coordinator and owner of the logo - RB Rail AS
