

Rīga, 3 October 2018
No 6.1/2018-590

**Answers to the questions from the interested suppliers
in open competition "Supplier market study for railway
infrastructure components" ID. No RBR 2018/23**

RB Rail AS presents the following answers to the questions received until 3 October 2018 from the interested suppliers:

No	Question	Answer
1.	Please could you clarify the required insurance levels for suppliers	Thank you for your interest in Rail Baltica Global project, particularly in open competition "Supplier market study for railway infrastructure components". Please note that there isn't required any additional requirement for insurance level for suppliers as only requirements set in open competition regulations including draft contract (Annex 7 of Regulations).
