

Rīga, 17.07.2019

Our Ref: 6.1.p/251

**Answers to the questions from the interested suppliers No 6**

RB Rail AS presents the following answers to the questions received within open competition "Rail Baltica control-command and signalling (CCS) subsystems procurement and deployment strategy" No RBR 2019/6 until 17 July 2019 from the interested suppliers:

No.	Questions	Answers
1.	<p>Question regarding where on the EIS tender portal a specific document (requested by the you, the client) shall be uploaded.</p> <p>It is not clearly specified in the upload section of the bid.</p> <p>I must upload document (<b>Annex No 6</b>) concerning the tenderers financial standing but see nowhere in the various upload-sections for the bid, where this Annex is supposed to be uploaded.</p> <p>For the other Annexes required for this bid, it is clearly stated on the bid portal, where they should be uploaded (<i>Annex 4, Annex 5, Annex 2</i> etc...).</p>	<p>Procurement commission would like to clarify that tendered can upload <i>Annex 6</i> and other documents, that has no specific place to add, in the section "Other Requirements" in E-Tendering system.</p>
