Answers to the questions from the interested suppliers No 4

RB Rail AS presents the following answers to the questions received within open competition **"Riga node operation optimization study" RBR 2019/9** until 30 August 2019 from the interested suppliers:

No	Questions	Answers
1.	We are highly interested in the tender in object and we would like to kindly ask you to postpone the submission date to 1 month from now.	No , there is no possibility to postpone tender submission date, because of the direct impact of this delay on subsequently planned design works which are already contracted.
