***Answers to the questions provided by the interested supplier in open competition
„Recruitment Services”, ID. No RBR 2019/17***

RB Rail AS presents the following answers to the questions from the interested supplier:

No	Questions	Answers
1.	Regarding the Annex No 4 „Description of the Tenderers experience for the open competition”. How to deal with the column „Value of services (EUR [1] excl.VAT)”, taking into account that this kind of information is confidential, and we are not allowed to provide it?	Procurement commission indicates, if the value of the Project is confidential information, Tenderer can indicate that the project complies with the requirements set by open competition Regulation.
2.	Regarding the Annex No 4 „Description of the Tenderers experience for the open competition”. What does „Period of the contract (month/year – month/year)” really mean – the duration of that particular recruitment project, duration of the contract with the client, or something else?	Procurement commission indicates that „Period of the contract (month/year – month/year)” means the duration of the contract with client, client`s.

Document is approved by Procurement commission’s decision made on 17 October 2019, Session minutes No 3, and is valid without signature.
