Answer to the question provided by the Tenderer in the open competition „Supply of temporary professional staff for RB Rail AS”, Id No RBR 2020/11

RB Rail AS presents the following answer to the question from the Tenderer:

No	Question	Answer
1.	We are interested in the Tender „Supply of temporary professional staff for RB Rail AS – RBR 2020/11”, but would require clarification on the following point: 1. Regarding Point 8.4.1.1., it is stipulated that „The Tenderer within the previous 5 (five) years has gained experience in supply of temporary professional staff”. Do contracts where a tenderer has provided supervision services for third parties fulfil the requirement for eligibility? Also, could consulting services fall under this rubric to conform with the requirement?	Procurement Commission hereby explains that only experience in supply of temporary professional staff at least for 5 (five) clients involved in infrastructure project management, where at least 1 (one) shall be a railway project, recruiting for engineering, construction and project management related disciplines ranging throughout the project lifecycle <u>will be considered as compliant</u> with requirements established in Clause 8.4.1.1 of the Procurement Regulations. Contracts where tenderer has provided supervision services for third parties to fulfil the requirement for eligibility and consulting services will not be considered as compliant for of the above-named requirement.

Procurement Commission Chairperson/Secretary

L.Kalniņa
