1.	<p>Please let me know more about the revenue limitation. We are an SME involved in R&D and our revenue do not reach EUR 1,500,00 per year.</p> <p>In the Regulations is stated “financial turnover within the last 3 (three) financial years, i.e. 2017, 2018, 2019 is not less than 1 500 000,00 EUR (one million five thousand euros and zero cents) per year.” What we have to do to meet your requirements?</p>	<p>In the Clause 8.3.1. is stated that “Tenderer’s or all members of the partnership together (if the Tenderer is a partnership and confirms the average financial turnover jointly) average financial turnover within the last 3 (three) financial years (2017, 2018, 2019) is not less than 1 500 000,00 EUR (one million five thousand euros, zero cents) per year.</p> <p>Procurement Commission kindly explains that <u>Tenderers average financial turnover within the last 3 (three) financial years (2017,2018,2019) shall be evaluated (not the financial turnover for each year).</u> For example, If Tenderer has financial turnover:</p> <ol style="list-style-type: none"> 1) 1 000 000,00 (per 2017 year) 2) 1 300 000,00 (per 2018 year) 3) 2 500 000,00 (per 2019 year) <p>Qualification requirement regarding financial turnover would be fulfilled, considering average financial turnover would be not less than 1 500 000,00 EUR (one million five thousand euros and zero cents).</p> <p>In addition, Procurement Commission explains that Tenderer can rely on other entity’s capacity to certify its financial and economic performance. In this case according to the Clause 8.3.1. of the Regulations “entity will be financially and economically responsible for the fulfilment of the Contract, Tenderer along with the Proposal submits confirmation or agreement on cooperation and/or passing of resources to the Tenderer, signed between such entity and the Tenderer (please see the Section 9 of the Regulations for detailed information).”</p>
