***Answer to question from the interested supplier
in the competitive procedure with negotiations
“Consolidated supply of multi-ducts, cable ducts, manholes and cable channels for
construction of Rail Baltica railway line”,
identification number RBR 2021/1***

RB Rail AS presents following answer to the question received from the interested supplier until 10 May 2021:

Nr.	Question	Answer
1.	Are material HDPE (lot 1, lot 2) and concrete (lot 4) the only material and design possibilities? Are elevated cable trays a possibility to offer in RBR 2021/1? Please see the [•] possibility in <u>attached pdf document</u> .	Thank you for your interest in Rail Baltica Global project and in particular procurement exercise. Procurement Commission kindly notes that suppliers are allowed to propose only products which fully comply with requirements stipulated in Annex No 2 of Regulation (General description of subject matter). It means, for instance, that precast concrete products cannot be replaced with polymer products. Please be aware that detailed technical specification for each product will be provided for the selected candidates in Stage Two of this Competition.
