## Electronic Procurement System

***Answer to question from the interested supplier  
in the competitive procedure with negotiations  
“Consolidated supply of multi-ducts, cable ducts, manholes and cable channels for  
construction of Rail Baltica railway line”,  
identification number RBR 2021/1***

RB Rail AS presents following answer to the question received from the interested supplier until 13 May 2021:

Nr.	Question	Answer
1.	<p>For understanding if we have in our portfolio products for your tender, I would like to ask you following question.</p> <p>What tensile load will be needed for Lot No 2: Duct: HDPE pipe with outer diameter of 110 mm? If will be required 450N (according to EN 61386-24) or more?</p>	<p>Procurement Commission kindly notes that current design requirements define tensile load resistance for at least 750N (according EN 61386-24) for cable ducts needed in Lot 2 „Consolidated supply of cable ducts for construction of Rail Baltica railway line”. More detailed technical requirements for all lots will be provided during 2nd stage of procurement.</p>

Procurement Commission Chairman
