***Answers to questions from the interested suppliers
in competitive procedure with negotiations
“Global Project Cost Benefit Analysis (CBA) and Long Term
Business Plan”, identification number RBR 2021/21***

RB Rail AS presents following answers to the questions received from the interested suppliers until 30 September 2021:

Nr.	Questions	Answers
1.	<p>According to RB Rail’s answer to question N° 5 of the second round (questions made until 17 September 2021) <i>“The Procurement commission clarifies that the experience required (in section 4 – Annex 4) must refer to projects implemented for companies or entities working in market-based competitive environments already operating; projects implemented for entities involved in infrastructure delivery or other pre-market phases (i.e. for infrastructure/services not yet operational) will not be considered”.</i></p> <p>Please clarify if projects implemented for <u>Railway Infrastructure Managers</u> in environments already operating are accepted, as well as projects implemented for <u>Railway Operators</u>.</p>	<p>The Procurement commission clarifies that your assumption is correct. Projects implemented for Railway Infrastructure Managers and Railway Operators will be acceptable in terms of Clause of 4.1.2. c) of the Regulations.</p>

Sincerely,

Procurement commission chairperson

N. Vjatkina
