

Vacancy

Technical Project Coordinator

RB RAIL AS office in Riga, Latvia

Rail Baltica is a once-in-a-lifetime infrastructure megaproject – if you're looking for a meaningful job in an international setting, look no further. This is where you can make an impact to be proud of.

You will be part of integrating the Baltic States into the European rail network and building a new economic corridor to bring long-term benefits to the Baltic region and its people. You will work with a cross-border team of more than 200 of the brightest minds in the industry.

We are looking for a new enthusiastic colleague to join our growing team in the position of **Technical Project Coordinator**.

Job summary

The primary responsibilities of Technical Project Coordinator will be to serve as a deputy to Technical Project Manager, by providing overall support to the success of the Project Management team and contributing to the coordination and planning of activities of an assigned project to ensure that the goals and objectives of the project are accomplished within the prescribed time frame, funding parameters and to the highest level of quality.

What's in it for you

A job with purpose and impact

Exceptional international project experience

Innovation-driven work

Professional and self-development

Flexible work arrangement

Benefits and Bonus programme

Supportive network of professional colleagues

Salary from 2500 EUR (before taxes)

We will entrust you to

- Handle, organize and distribute the incoming and outgoing technical documentation for AsBo (EU Directive 2013/402) and NoBo (EU Directive 2016/797) services in accordance with the company procedures and the instructions of the direct manager
- Coordinate and control internal resources and third parties/vendors for the flawless execution of tasks ensuring the delivery of the project

To succeed, you should have

- Secondary vocational or Bachelors' degree in system engineering, project management or quality management or equivalent field
- Outstanding organizational abilities and technical mindset
- Effective communication skills both verbal and in writing, and a strong mechanical aptitude

Application process

If you are willing to be a part of the challenging and unique project, and your experience and personality match the position's requirements, please, send your CV and motivation letter in English with the subject "TECHNICAL PROJECT COORDINATOR" to RB Rail AS recruitment partners SIA "Recruitment Latvia": rbrail@cvor.lv by the deadline date.

By submitting this application (CV, motivation letter, etc) the applicant provides the authorisation for the processing of personal data by RB Rail AS ("Controller") and SIA "Recruitment Latvia", Reg. No 40003955719, as its respective recruitment partners. The personal data indicated in the application documents will be processed for the purposes of the recruitment and hiring processes only as is legally permissible under Art. 6(1)(f) of Regulation (EU) 2016/679 (General Data Protection Regulation)
