For the interested suppliers

25 March 2022

Answers to the questions provided by the Candidate
in competitive procurement procedure with negotiation „Design and design supervision services for
the construction of the new line from Vilnius Urban Node to Kaunas Urban Node" (ID No. RBR 2021/29)

RB Rail AS presents the following answer to the question from the Candidate:

No	Questions	Answers
1.	Annex 3 Experience of the candidate- Within the previous 7 years (year 2014, 2015…. Could you please confirm that a project completed in 2014 is valid for the purpose of the subject tender?	Procurement commission kindly notes that Clause No 4.1.1. of Regulation contains the correct wording of the requirement for the previous experience and shall be taken into account before providing information in Annex No 3 of Regulation in order to prove compliance with qualification requirements stipulated in Clasue 4.1.1. of Regulation. Please take into account that Annex No 3 of Regulation contains typing error in reference to Clause 4.1.1. of Regulation, i.e. previous 7 years include period from 2015 till 2021 and additionally 2022 till the deadline for submission of applications.
2.	Annex 3, Experience of the candidate 4.1.1, 2): a) the total length… must be at least 300 m, and b) at least … must be at least 60 m… Could you please confirm that compliance with this requirements can be achieved by means of two separate railway bridges/viaducts: one covering the requirement of 300m length and the other one covering the requirement of the span of at least 60 m? This is, it would not be mandatory that both a) and b) requirements are fulfilled in the same viaduct/bridge.	Procurement commission kindly notes that it is not mandatory the Regulation Clause No. 4.1.1 2) both a) and b) requirements are fulfilled in the same viaduct/bridge.

Document is approved by Procurement commission's decision made on 25 March 2022, Session minutes No 2, and is valid without signature.
