

Vacancy

Specialist | Asset Database

RB Rail AS office in Vilnius, Lithuania

Rail Baltica is a once-in-a-lifetime infrastructure megaproject – if you're looking for a meaningful job in an international setting, look no further. This is where you can make an impact to be proud of.

You will be part of integrating the Baltic States into the European rail network and building a new economic corridor to bring long-term benefits to the Baltic region and its people. You will work with a cross-border team of more than 200 of the brightest minds in the industry.

We are looking for a new enthusiastic colleague to join our growing team in the position of **Specialist | Asset Database**.

Job summary

After proper on-the-job training, You will be responsible for validating, transforming and transferring data from design documents into asset register in ArcGIS.

What's in it for you

A job with purpose and impact

Exceptional international project experience

Innovation-driven work

Professional and self-development

Flexible work arrangement

Benefits and Bonus programme

Supportive network of professional colleagues

Salary from 1800 EUR (before taxes)

We will entrust you to

- Validate and fix information models using Simplebim
- Import information models into asset register in ArcGIS
- Validate railway maintenance manuals provided by designers and import them into asset register
- Update asset register data when new information becomes available
- Maintain data integrity

We encourage You to apply if you have

- High school diploma or equivalent
- Practical work experience with data using MS Excel
- Analytical mindset
- Attention to detail
- Fluency in English and good command of technical English
- Strong communication skills and interpersonal skills
- Willingness to work in a team environment
- Interest to strive for continuous improvement and perfectionism in every detail

As advantage will be considered:

- Proficiency with database languages such as SQL
- Practical experience with ArcGIS Pro incl. Jupyter notebooks
- Knowledge of Python

Application process

If you are willing to be a part of the challenging and unique project, and your experience and personality match the position's requirements, please, send your CV and motivation letter in English with the subject "ASSET DATABASE SPECIALIST" to RB Rail AS recruitment partners SIA "Recruitment Latvia": rbrail@cvor.lv by the deadline date.

RB Rail AS as a controller and SIA Recruitment Latvia as its respective partner ensures that data processing within recruitment process (for recruitment and hiring related purposes) is carried out in accordance with regulations on the protection of personal data processing.

More information regarding candidates' personal data processing is available here: <https://www.railbaltica.org/about-rail-baltica/candidates-personal-data-privacy-note/>
