1	<p>At this moment we are working on closing agreements with several companies to set up a JV putting together our capabilities and experience, and then we will need time to fulfil the documents, above all at this summer season with most of our employees on holidays.</p> <p><b>Therefore we formally request an extension of two weeks to submit the prequalification.</b></p>	<p>The Procurement commission has evaluated the request for an extension of the deadline for the submission of applications and has made the decision to extend the application submission deadline. <b>Please pay attention that the new application submission deadline is 24 August 2022 till 15:00 (Riga time).</b></p> <p>The specific Sections of the Procurement regulations have been amended accordingly.</p>
