***Answers to questions from the interested supplier  
in the competitive procedure with negotiations  
“Consolidated supply of railway ballast for Rail Baltica railway construction”,  
identification number RBR 2022/14***

RB Rail AS presents following answers to the questions received from the interested supplier until 9 August 2022:

Nr.	Questions	Answers
1.	Article 4.4.1. of Regulation sets requirements for experience of the Candidate. The Contracting Authority requires to prove that in any continuous 12 months period the Candidate has performed at least 1 (one) or several contract/-s/ supply/-s of aggregates with all of certain parameters set in requirement (the Requirement). Please, provide us with explanation on questions regarding application of the Requirement. Does the Contracting Authority ask to prove experience of Candidate only for supply or also for manufacture of certain aggregates? In other words, does the Candidate comply with the Requirement if it has performed contract(s) of supply of aggregates manufactured by other subjects?	Procurement Commission explains that in accordance with Article 4.4.1. of Regulations Candidate must provide information about the experience in supply of these certain aggregates where manufacturer of these aggregates may be another entity.
2.	If the Candidate is not a manufacturer of supplied aggregates, will it be considered as using capabilities of other subjects in order to comply with the Requirement?	Procurement Commission kindly notes that within the Article 4.4.1. requirement there is no need to rely on the capacities of the manufacturer (-s), considering experience is required in the supply of aggregates, not manufacturing aggregates.
3.	Is it necessary for execution of the Contract to rely on manufacturing capabilities (by subcontracting or partnership) of the same manufacturers of railway ballast supplied under	Procurement Commission informs that it is not necessary to relay on manufacturing capabilities to prove the experience in the supply of aggregates. Experience may be

	contracts described in Candidate's experience?	proven with other manufacturers which were cooperating with Candidate before.
