

Vacancy

Security Manager (Lithuania)

RB Rail AS office in Vilnius, Lithuania

Rail Baltica is a once-in-a-lifetime infrastructure megaproject – if you're looking for a meaningful work in an international setting, look no further. This is where you can make an impact to be proud of.

You will be part of integrating the Baltic States into the European rail network and building a new economic corridor to bring long-term benefits to the Baltic region and its people. You will work with a cross-border team of more than 200 of the brightest minds in the industry.

We are looking for a new enthusiastic colleague to join our growing team in the position of **Security Manager (Lithuania)**.

Job summary

Security Manager is responsible for corporate and Rail Baltica project security management in Lithuania - RB Rail AS Lithuanian Branch, as well as participates in the development and implementation of Rail Baltica's railway infrastructure security strategy and related sub-activities.

What's in it for you

A job with purpose and impact

Exceptional international project experience

Innovation-driven work

Professional and self-development

Flexible work arrangement

Benefits and Bonus programme

Supportive network of professionals

Salary from 3100 EUR (before taxes)

We will entrust you to

- Organize security management in the areas specified in the Security Management Policy, incl. monitoring compliance with security policy and related legislation
- Carry out security risk assessments and security due diligence
- Provide activities in the amount and in accordance with the procedures specified in the Law on the Detective Activity
- Develop railway security concepts, strategies, guidelines and ensuring co-ordination the documents with stakeholders, incl. the state security authorities
- Establish and maintain relations in the field of cooperation and information exchange with project stakeholders
- Organize and implement cooperation with the Ministry of the Interior and the Ministry of Defence of the Republic of Lithuania and institutions supervised by these ministries, the National Armed Forces, special services (incl. state security authorities), as well as other institutions of the European Union and EU member states when necessary

To succeed, you should have

- A professional master's degree, preferable in Law, in Railway engineering or Quality Management
- 7+ years security governance experience – preferable in senior management position
- Good knowledge or ability to navigate in areas of Latvian, Estonian and Lithuanian law related to national security, security of critical infrastructure, protection of objects of importance to ensuring national security and essential services, IT security as well as GDPR
- The right to act as a private detective
- Experience in personal data and classified information protection
- Good command of spoken and written English and excellent Lithuanian language skills

Application process

If you are willing to be a part of the challenging and unique project, and your experience and personality match the position's requirements, please, send your CV and motivation letter in English with the subject "SECURITY MANAGER (LITHUANIA)" to RB Rail AS recruitment partners SIA ASTRAL Executive Search: railbaltica@astralexecutive.com by the deadline date.
