WHEREAS:

- (A) based on the results of the Client’s organized procurement procedure for “Legal Services”, procurement procedure No. RBR 2019/22 (“**Procurement Procedure**”) the Client and the Service Provider have entered into FRAMEWORK AGREEMENT FOR THE PROVISION OF LEGAL SERVICES No. 1.19/LV-13-2 (“**Framework Agreement**”);
- (B) the Client has organised a new procurement procedure for “Legal Services”, procurement procedure No RBR 2022/23, however, this procurement procedure is still ongoing, including due to the fact that the new procurement procedure had to be restarted as initially only one potential service provider submitted it’s proposal;
- (C) the Client requires to receive legal services without interruptions and, thus, there is a necessity for the Client to receive legal services exceeding the total allocated amount under all the framework agreements concluded as a result of the Procurement Procedure. Therefore, the Parties wish to amend the Framework Agreement by increasing the total amount allocated for procurement of legal services by EUR 50,999 (i.e., 9.9998%);
- (D) the aforementioned amendments would be non-substantial amendments to the Framework Agreement and are permitted pursuant to Article 61, Paragraph 1, Clause 3 and Article 61, Paragraph 5 of the Public Procurement Law of Latvia as the changes to the total amount allocated for procurement of legal services do not reach the threshold specified in the law;

NOW, THEREFORE, the Parties hereby enter into this amendment No.4 to the Framework Agreement (“**Amendment**”) on the following terms and conditions:

1. Parties agree to amend Clause 2.2. of the Agreement and express it in the following wording:

*“2.2. The total allocated amount for the procurement of Legal Services for all Framework agreements concluded as a result of the Procurement is: 560 999 EUR (five hundred sixty thousand nine hundred ninety-nine euros).”*

2. From the moment of the conclusion of this Amendment, it shall become an integral part of the Framework Agreement.
3. The Amendment shall enter into force on the day when it is mutually signed by both Parties and shall remain valid throughout the term of the Framework Agreement. The day of signing the Amendment is considered as the date when the specific electronic file containing the Amendment has been duly signed with a secure digital signature by all required representatives of both Parties (i.e., the timestamp of the last digital signature required to enter into this Amendment shall be used as signing date).
4. All terms and definitions used in this Amendment shall have the same meaning as the same terms and definitions used in the Framework Agreement unless provided otherwise herein.

5. The Amendment is executed as an electronic document.

6. Signatures of the Parties:
