2 GENERAL INFORMATION

- 2.1 The identification number of the Procurement is RBR 2023/10.
- 2.2 The Open competition is co-financed by the Contracting Authority and Connecting Europe Facility (CEF).
- 2.3 The Open competition is organized in accordance with the Public Procurement Law in effect on the date of publishing the contract notice.
- 2.4 The Open competition is carried out using E-Tenders system (<https://www.eis.gov.lv/EKEIS/Supplier>) which is subsystem of the Electronic Procurement System (<https://www.eis.gov.lv/EIS/>).
- 2.5 The Regulations is freely available on Contracting authority's profile in the E-Tenders system on webpage <https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094> and on the webpage of the Contracting authority <http://railbaltica.org/tenders/>.
- 2.6 Amendments to the Regulations and answers to Suppliers' questions will be published on Contracting authority's profile in the E-Tenders system on webpage <https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094> and on the Contracting authority's webpage <http://railbaltica.org/tenders/>. It is the Supplier's responsibility to constantly follow the information published on the webpages and to take it into consideration in preparation of its Proposal.
- 2.7 Contact person of the Contracting authority for this Open competition is Senior Procurement Specialist Vineta Ezergaile, mobile: +371 29352018, e-mail: vineta.ezergaile@railbaltica.org.
- 2.8 The exchange of information between the Procurement commission and the Supplier or Tenderer shall be in writing (by sending documents electronically to e-mail or using E-Tenders system) in English (if information is submitted in Latvian, it shall be accompanied by a translation into English).

- 2.9 If the Supplier does not have access to the E-Tenders system, the Supplier shall follow the guidance for obtaining access to the system available on the Contracting authority's website at <http://www.railbaltica.org/procurement/e-procurement-system/>.
- 2.10 The Supplier can request additional information regarding the Regulations. Additional information can be requested in writing through the E-Tenders system or (only in case the Supplier does not have access to the system) by sending it to the Procurement commission electronically to the e-mail (please see the Section 2.7 of the Regulations), indicating the Procurement Identification number.
- 2.11 Any additional information must be requested in a timely manner, so that the Procurement commission can reply on time - no later than 6 (six) days prior to the deadline of the Proposal submission. The Procurement commission shall provide response within 5 (five) working days from the day of the receipt of the request from the Supplier.
- 2.12 The Supplier covers all expenses which are related to the preparation of the Proposal and its submission to the Contracting authority. Under no circumstances the Contracting authority will be liable for compensation of any costs and damages related to the preparation and submission of the Proposal or the Supplier's participation in the Procurement.

3 THE RIGHTS OF THE PROCUREMENT COMMISSION

- 3.1 The Procurement commission has the right to demand at any stage of the Procurement that the Tenderer submits all or part of the documents which certify Tenderer's compliance to the requirements for the selection of tenderers. The Procurement commission does not demand documents or information which is already at its disposal or is available in publicly available official databases free of charge. If any information requested is publicly available in official databases free of charge, Tenderer may not submit such information, however in this case Tenderer shall indicate the exact database where this information can be found.
- 3.2 If the Tenderer submits document derivatives (e.g., copies), then, in case of doubt about the authenticity of the submitted document derivation, the Procurement commission can demand that the Tenderer shows the original documents.
- 3.3 During the evaluation of the Proposals, the Procurement commission has the right to request the Tenderer to clarify the information included in its Proposal.
- 3.4 If the Procurement commission determines that the information about the Tenderer, its subcontractors and persons upon whose capacity the Tenderer is relying that is included in the submitted documents is unclear or incomplete, it demands that the Tenderer or a competent institution clarifies or expands the information included in the Proposal. The deadline for submission of the necessary information is determined in proportion to the time which is required to prepare and submit such information. If the Procurement commission has demanded to clarify the submitted documents but the Tenderer has not done this in accordance with the requirements stipulated by the Procurement commission, the Procurement commission is under no obligation to repeatedly demand that the information included in these documents is clarified. The Procurement commission has the right to reject all Proposals which are found not to comply with the requirements of the Procurement documentation.

4 THE OBLIGATIONS OF THE PROCUREMENT COMMISSION

- 4.1 The Procurement commission ensures the documentation of the procurement process.
- 4.2 The Procurement commission ensures free and direct electronic access to the Procurement documents on Contracting authority's profile at the E-Tenders system's webpage <https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094> and on the webpage of the Contracting authority <http://railbaltica.org/tenders/>.
- 4.3 If an interested Supplier has in a timely manner in writing by post or electronically (including through E-Tenders system), or delivering in person requested additional information about the requirements included in Open competition documents regarding the preparation and submission of the Proposal or regarding the selection of Tenderers, the Procurement commission provides a response electronically within 5 (five) working days but not later than 6 (six) days before the deadline for submitting Proposals. Simultaneously with sending this information to the Supplier who had asked the question, the Contracting authority also publishes the information on Contracting authority's profile in the E-Tenders system's webpage

<https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094> and on its webpage <http://railbaltica.org/tenders/> where Open competition documents are available, indicating the question asked.

- 4.4 If the Contracting authority has amended the Open competition documents, it publishes this information on Contracting authority's profile in the E-Tenders system's webpage <https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094> and on the Contracting authority's webpage <http://railbaltica.org/tenders/> where Open competition documents are available, no later than 1 (one) day after the notification regarding the amendments has been submitted to Procurement Monitoring Bureau for publication. If Supplier wishes to receive relevant updates/notifications by e-mail regarding the Procurement (e.g., when amendments to the procurement documentation are published), Supplier shall register as an interested supplier on the E-Tenders system for the particular Procurement.
- 4.5 The exchange and storage of information is carried out in such a way that all data included in the Proposals is protected and the Contracting authority can check the content of the Proposals only after the expiration of the deadline for their submission. From the day of submission of Proposals until the opening of the Proposals the Contracting authority does not disclose information regarding the existence of other Proposals. During the Proposal evaluation, the Contracting authority does not disclose any information regarding the evaluation process until the announcement of the results.
- 4.6 The Procurement commission evaluates Tenderers and their Proposals based on the Public Procurement Law, Regulations, as well as other applicable regulatory enactments.

5 THE RIGHTS OF THE TENDERER

- 5.1 The Tenderer has the right to submit registration documents for the registration on the Electronic Procurement System (if the Tenderer is not registered in Electronic Procurement System) in State Regional Development Agency (please see information here: <http://www.railbaltica.org/procurement/e-procurement-system/>).
- 5.2 The Tenderer can request and within 3 (three) business days after submitting the request receive a copy of the Proposal opening sheet, which is an annex to the Proposal opening meeting minutes.
- 5.3 If the Contracting authority gets the necessary information about the Tenderer directly from a competent institution, through data bases or other sources and the Tenderer's submitted information differs from information obtained by the Contracting authority, the Tenderer in question has the right to submit evidence to prove the correctness of the information the Tenderer has submitted, if the information obtained by the Contracting authority does not conform to the factual situation.
- 5.4 If a Tenderer believes that its rights have been violated or such violation is possible due to possible violation of the regulatory enactments of the European Union or other regulatory enactments, the Tenderer has the right to submit a complaint to the Procurement Monitoring Bureau according to the procedure stipulated in the Section 68 of Public Procurement Law regarding the Tenderer selection requirements, Technical specification or other requirements relating to Open competition, or relating to the activities by the Contracting authority or the Procurement commission during the Open competition.

- 8.7 Exclusion grounds mentioned in the Section 8.1 of the Regulations applies to the Tenderer and any of the following persons:
- 8.7.1 a member of a partnership, if the Tenderer is a partnership, to the person on whose capacity Tenderer is relying to certify its compliance with requirements and to subcontractor whose value of works to performed or services to be provided is equal to or exceeds 10`000 (ten thousand) euros of the contract price – exclusion grounds mentioned in the Section 8.1.1 – 8.1.13 of Regulations;
 - 8.7.2 a member of a partnership, if the Tenderer is a partnership - exclusion grounds mentioned in the Section 8.1.14 of Regulations;
 - 8.7.3 person who has decisive influence in the Tenderer on the basis of participation within the meaning of the laws and regulations regarding groups of companies (concern) - exclusion grounds mentioned in the Section 8.1.1 – 8.1.2 and 8.1.12 – 8.1.13 of the Regulations;
 - 8.7.4 Tenderer`s beneficial owner - exclusion grounds mentioned in the Section 8.1.1 – 8.1.2 and 8.1.4 of the Regulations.
- 8.8 If the Tenderer, a member of the partnership, if the Tenderer is a partnership, Tenderer's beneficial owner or person who has decisive influence in the Tenderer on the basis of participation within the meaning of the laws and regulations regarding groups of companies (concern) complies with any of the exclusion grounds set out in Section 42, Paragraph two, Clause 1, 4 – 7 and 10 - 14 of the Public Procurement Law (Section 8.1.1, 8.1.3 – 8.1.11 of the Regulations) and the exceptions stipulated in the Section 42, Paragraph four, Clause 2 - 4 of the Public Procurement Law are not applicable, the Procurement commission informs the Tenderer about the fact and sets deadline of at least 10 (ten) days from the day of issuing or receiving information, to submit an explanation and evidence that proves the reliability of the Tenderer in accordance with Section 43 of the Public Procurement Law.
- 8.9 The Procurement commission evaluates exclusion grounds in accordance with Section 42 of Public Procurement Law and Law of International Sanctions and National Sanctions of the Republic of Latvia.
- 8.10 The Procurement commission does not exclude the Tenderer from participation in the Procurement in any of the cases indicated in the Paragraph four of Section 42 of Public Procurement Law.

- 8.11 If the Tenderer complies with any of the exclusion grounds mentioned in Section 8.1 of the Regulations (except Section 8.1.2 of the Regulations), the Tenderer indicates this fact in the Annex No 1 "Application for participating in the Open competition" of the Regulations. If the Tenderer to whom the Contract should be awarded will comply with any of exclusion grounds mentioned in this Section, the Procurement commission will follow the procedures specified in the Section 43, Paragraph one - seven of the Public Procurement Law.
- 8.12 The Tenderer to certify that it complies with the selection criteria for Tenderers may submit the European single procurement document (hereinafter - ESPD) as initial proof. This document must be submitted electronically and for each person upon whose capacity Tenderer relies to certify its compliance with the requirements stipulated in the Regulations and for each of their indicated subcontractors the value of services to be provided by which amounts to at least EUR 10 000 (ten thousand euros), but if the Tenderer is a partnership – for each member thereof. To fill in the ESPD the Tenderer uses the "ESPD.xml" file at the Internet webpage <http://espd.eis.gov.lv/>.
- 8.13 To certify compliance with Procurement selection criteria, the Tenderer can limit itself to filling the following point in the ESPD Section IV "**Selection criteria**" Part "a: *Global indication for all selection criteria*" confirming with "Yes", without having to fill in Part IV, Sections A, B, C or D.

- 8.14 If the Tenderer has chosen to submit an ESPD as initial proof, the ESPD for a person upon whose capacity Tenderer relies to certify its compliance with the requirements stipulated in the Regulations shall be filled in the part regarding the exclusion grounds and information regarding the selection criteria relevant for the specific capacity or capacities on which Tenderer relies. The ESPD for a subcontractor the value of services to be provided by which amounts to at least EUR 10 000 (ten thousand euros) – the part regarding the exclusion grounds only.
- 8.15 If the Tenderer to whom the Contract should be awarded has chosen to submit an ESPD as initial proof, the Procurement commission will follow the procedure stipulated in the Paragraph 17 of the Cabinet regulation No 107 of 28 February 2017 "Tendering Procedures or Procurement Procedures and Design Contests".

9 RELIANCE ON THE CAPACITY OF OTHER PERSONS

- 9.1 For the fulfilment of the Contract, to comply with the selection requirements for the Tenderers related to the economic and financial standing and technical and professional capacity, the Tenderer may rely on the capacity of other persons, regardless of the legal nature of their mutual relationship. In this case:
- 9.1.1 The Tenderer shall indicate in the Proposal all persons on whose capacity it relies by filling in the table which is attached as an Annex No 4 "A list of other entities on whose capacity Tenderer relies" of the Regulations and prove to the Contracting authority that the Tenderer will have available all the necessary resources for the fulfilment of the Contract by submitting a signed confirmation or agreement on cooperation and/or passing of resources to the Tenderer between such persons and the Tenderer. The confirmations and agreements on cooperation and passing of resources can be replaced with any other type of documents by which the Tenderer is able to prove that necessary resources will be available to the Tenderer and will be used during the fulfilment of the Contract.
- 9.1.2 Documents on cooperation and passing of resources must be sufficient to prove to the Contracting authority that the Tenderer will have the ability to fulfil Contract, as well as that during the validity of the Contract Tenderer will in fact use the resources of such person upon whose capacity it relies.
- 9.1.3 The Contracting authority shall require joint and several liability for the execution of the Contract between the:
- 9.1.4 Tenderer and a person on whose capacity Tenderer is relying to certify its financial and economic performance and who will be financially and economically responsible for fulfilment of the Contract;

- 9.1.5 each member of the partnership (if the Tenderer is a partnership) on whose capacity Tenderer is relying and who will be financially and economically responsible for fulfilment of the Contract.
- 9.2 The Tenderer may rely on the capacity of other persons only if these persons will provide services that require the relevant capacity.
- 9.3 If Tenderer is a partnership, the member of the partnership upon whose qualification the partnership relies to confirm that its qualification conforms to the requirements stipulated in the Regulations must provide the respective services for which the respective qualification was required.
- 9.4 The Procurement commission will evaluate the person on whose capacity Tenderer to whom the rights to conclude the Contract should be assigned is relying according to Section 8.1 of the Regulations. In case such person will comply with any of the exclusion grounds which are mentioned in Section 8.1 of the Regulations, the Procurement commission will request Tenderer to change such person. If the Tenderer will not submit documents about another person which complies with the selection criteria within 10 (ten) business days from the date when the request was issued or sent to the Tender, the Procurement commission will exclude such Tenderer from further participation in the Procurement.

10 SUBCONTRACTING

- 10.1 The Tenderer shall indicate in the Proposal all subcontractors of the Tenderer by filling in the table which is included in the Annex No 5 "A list of subcontractors for the Open competition" of the Regulations.
- 10.2 The Procurement commission will evaluate the subcontractor (the value of services to be provided by which amounts to at least EUR 10 000 (ten thousand euros)) of the Tenderer to whom the rights to conclude the Contract should be assigned according to Sections 8.1 of the Regulations. In case if subcontractor the value of services to be provided by which amounts to at least EUR 10 000 (ten thousand euros) will comply with any of the exclusion grounds mentioned in Section 8.1 of the Regulations, the Procurement commission will request Tenderer to change such subcontractor. If the Tenderer will not submit documents about another subcontractor which complies with the selection criteria within 10 (ten) business days from the date when the request was issued or sent to the Tender, the Procurement commission will exclude the Tenderer from further participation in the Procurement.

11 FINANCIAL PROPOSAL

- 11.1 The Financial proposal shall be submitted by filling in the form in the Annex No 6 "Financial proposal" of the Regulations.
- 11.2 The proposed contract price shall include all taxes, fees and payments, and all costs related to the fulfilment of the specific services, that can be reasonably estimated, except VAT, including but not limited to (if applicable):
- 11.2.1 cost of business trips, time of consultants and daily allowance,
 - 11.2.2 field research,
 - 11.2.3 purchase of external materials and researches,
 - 11.2.4 purchase of external experts.
- 11.3 The Tenderer shall include all travel expenses (if any arise) in proposed contract price. The Contracting authority will not additionally reimburse any travel expenses incurred by Tenderer during the provision of Services.
- 11.4 **All costs related expenses that are not specifically listed, but which are necessary for the overall performance of the Contract must be included in Financial proposal.**
- 11.5 The costs offered in the Financial proposal cannot be increased during the performance of the Contract.
- 11.6 The costs must be calculated and indicated with an accuracy of 2 (two) decimal places after comma. If more than 2 (two) decimal places after comma will be indicated, then only the first two decimal places will be considered.
- 11.7 The costs shall be indicated in euro without VAT.

- 11.8 If the Tenderer's Financial proposal will not comply with all the requirements of Section 11 of the Regulations, it will be considered as non-compliant and will not be evaluated further.

12 TECHNICAL PROPOSAL

- 12.1 The Tenderers shall submit a Technical proposal in accordance with this Section considering aspects in Annex No 2 "Technical specification" of the Regulations.
- 12.2 The Technical proposal must comply with the requirements of the Technical specification (Annex No 2 of the Regulations) determined for the specific Lot:
- 12.2.1 for the lot No 1 "Mobile Communications Services in Latvia" – please see the Annex 2.1 to the Regulations;
 - 12.2.2 for the lot No 2 "Mobile Communications Services in Lithuania" - please see the Annex 2.2 to the Regulations;
 - 12.2.3 for the lot No 3 "Mobile Communications Services in Estonia" - please see the Annex 2.3 to the Regulations.
- 12.3 If Tenderer applies for the lot No 1 "Mobile Communications Services in Latvia" to certify compliance with the Contract award criteria K1.10. – K1.18 of the Table No 1 mentioned in the Section 20.3.2 of the Regulations additionally to the Technical proposal mentioned in the Section 12.1 of the Regulations, Tenderer shall submit a graphical information on a map in PDF and GIS format (SHP, GDB or equivalent) that clearly identifies the territory provided with the service and the territory where it might not be provided.
- 12.4 The Tenderer shall fill in the Technical proposal form (Annex No 2 of the Regulations) by indicating "WE CONFIRM" or otherwise describing the ability to ensure compliance with the requirement.

13 CONTENTS AND FORM OF THE PROPOSAL

- 13.1 The Proposal must be submitted electronically on E-Tenders system of the Electronic Procurement System in accordance with the following options for the Tenderer:
- 13.1.1 by using the available tools of the E-Tender system, filling the attached forms of the E-Tender system for the Procurement;
 - 13.1.2 by preparing and filling the necessary electronic documents outside the E-Tenders system and attaching them to relevant requirements (in this situation the Tenderer takes responsibility for the correctness and compliance of the forms to requirements of documentation and form samples);
 - 13.1.3 by encrypting electronically prepared Proposal outside of the E-Tenders system with data protection tools provided by third parties, and protection with electronic key and password (in this situation, the Tenderer takes responsibility for the correctness and compliance of the forms to requirements of documentation and form samples as well as ensuring capability to open and read the document by the Contracting authority).
- 13.2 During preparation of the Proposal, the Tenderer shall respect the following requirements:
- 13.2.1 Each document mentioned in Section 13.3 of the Regulations must be filled separately, each in a separate electronic document in line with forms attached to Procurement in a Microsoft Office 2010 (or later) format and attached to the designated part of the Procurement (<https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094>) on E-Tenders system;
 - 13.2.2 Upon submission, the Tenderer signs the Proposal with secure electronic signature and time-stamp or with electronic signature provided by Electronic Procurement System. The Tenderer can use secure electronic signature and time-stamp and sign Application form, Technical proposal, Financial proposal and other documents separately.
- 13.3 Documents to be included in the Proposal:
- 13.3.1 Application for participating in the Open competition in accordance with Annex No 1 of the Regulations;
 - 13.3.2 Financial proposal in accordance with Section 11 and the Annex 6 of the Regulations;

- 13.3.3 Technical proposal prepared in accordance with the Section 12 and the Annex No 2 of the Regulations accompanied by the graphical information mentioned in the Section 12.3 of the Regulations (if applicable);
- 13.3.4 Information and documents confirming compliance of the Tenderer with the selection criteria for the Tenderers (set in Section 8 of the Regulations) or the corresponding ESPD;
- 13.3.5 Information and documents relating to other entities on whose capacity Tenderer is relying (please see the Section 9 of the Regulations; form enclosed as Annex No 4 of the Regulations) or the corresponding ESPD;
- 13.3.6 Information and documents relating to subcontractors (please see the Section 10 of the Regulations; form enclosed as Annex No 5 of the Regulations) or the corresponding ESPD.
- 13.4 The Proposal may contain original documents or their derivatives (e.g., copies). In the Proposal or in reply to a request of the Procurement commission Tenderer shall submit only such original documents which have legal force. In order for the document to gain legal force it has to be issued and formatted in accordance with the Latvian Law on Legal Force of Documents of the Republic of Latvia (<https://likumi.lv/ta/en/id/210205-law-on-legal-force-of-documents>), but public documents issued abroad shall be formatted and legalized in accordance with the requirements of the Document Legalization Law of the Republic of Latvia (<https://likumi.lv/ta/id/301436-dokumentu-izstradasanas-un-noformesanas-kartiba>). Public documents issued abroad can be self-approved by the Tenderer, if it is applicable by the legislation of the respective country. When submitting the Proposal, the Tenderer has the right to certify the correctness of all submitted documents' derivatives and translations with one certification.
- 13.5 The Proposal must be signed by a person who is legally representing the Tenderer or is authorized to represent the Tenderer in the Procurement.
- 13.6 The Tenderer shall prepare Proposal in electronic form using the E-Tenders system available on <https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094>.
- 13.7 The Proposal must be submitted in a written form in English or in Latvian (if submitted in Latvian, translation of the Proposal in English must be provided together with the Proposal).

14 ENCRYPTION OF THE PROPOSAL INFORMATION

- 14.1 E-Tenders system which is a subsystem of the Electronic Procurement System ensures first level encryption of the information provided in the Proposal documents.
- 14.2 If the Tenderer applied additional encryption to the information in the Proposal (according to the Section 13.1.3 of the Regulations), the Tender must provide the Procurement commission with the electronic key with the password to unlock the information not later than in 15 (fifteen) minutes after the deadline of the Proposal opening.

15 SUBMISSION OF A PROPOSAL

- 15.1 The Proposal (documents referred to in the Section 13.3 of the Regulations) shall be submitted electronically using the E-Tenders system available on <https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094> by:

6 October 2023 till 11:00 (Riga time).

- 15.2 The Tenderer may recall or amend submitted Proposal before the expiry of the deadline for the submission of Proposals by using the E-Tenders system.
- 15.3 Only Proposals submitted on the E-Tenders system will be accepted and evaluated for participation in the Procurement. Any Proposal submitted outside the E-Tenders system will be declared as submitted in a non-compliant manner and will not participate in the Procurement.

16 OPENING OF PROPOSALS

- 16.1 The Proposals will be opened on the E-Tenders system on **6 October 2023 starting at 15:00** (Riga time) during the opening session. It is possible to follow the opening of submitted Proposals online on the E-Tenders system.

- 16.2 The Proposals will be opened by using the tools offered by the E-Tenders system. The proposed contract prices and other information that characterizes the Proposal (excluding confidential information) will be published on the E-Tenders system.
- 16.3 The information regarding the Tenderer, the time of Proposal submission, the proposed hourly rate and other information that characterizes the Proposal is generated at the opening of the Proposals by the E-Tenders system and written down in the Proposal opening sheet which will be published on the E-Tenders system and Contracting authority's webpage.

17 VERIFICATION OF PROPOSALS FOR COMPLIANCE

- 17.1 Following the opening of the Proposals the Procurement commission verifies the compliance of Proposals received. The Procurement commission evaluates the Proposals in closed sessions.
- 17.2 The Procurement commission verifies whether the submitted Proposals comply with the requirements stipulated in the Section 13 of the Regulations and whether all required information and documents are submitted and selects for further evaluation the compliant Proposals.
- 17.3 The Procurement commission verifies whether the Tenderers comply with the selection criteria stipulated in Section 8.2. – 8.3 of the Regulations and selects compliant Tenderers for further evaluation.

18 VERIFICATION OF TECHNICAL PROPOSAL

- 18.1 The Procurement commission verifies whether the submitted Technical proposals comply with the requirements stipulated in Section 12 of the Regulations and Technical specification and Tenderers have filled in the relevant part of Annex No 2 "Technical specification / Technical proposal form" in accordance with the requirements. The Procurement commission selects for further evaluation the compliant Technical proposals.

19 VERIFICATION OF FINANCIAL PROPOSALS

- 19.1 The Procurement commission verifies whether the submitted Financial proposals comply with the requirements stipulated in Section 11 of the Regulations and Tenderers have filled in Annex No 6 "Financial proposal" in accordance with the requirements.
- 19.2 The Procurement commission verifies whether there are any arithmetical errors, whether an abnormally low Proposal has been received, as well as assesses and compares the proposed contract prices.
- 19.3 The Procurement commission informs the Tenderer whose arithmetical errors have been corrected about the correction of arithmetical errors and the corrected Financial proposal.
- 19.4 When evaluating the financial proposal, the Procurement commission takes corrections into account.
- 19.5 The Procurement commission has the right to demand that the Tenderer explains the calculation upon which the financial proposal is based and other related aspects in order to ascertain the objectivity of the financial proposal and whether an abnormally low Proposal has been submitted.
- 19.6 The Procurement commission further evaluates the compliant Proposals which have not been declared as abnormally low proposals.

20 CONTRACT AWARD CRITERIA

- 20.1 The Procurement commission will determine the most economically advantageous proposal in each lot of the Procurement. The Tenderer whose Proposal will be recognized as the most economically advantageous, shall be recognized as the Tenderer who would be granted the right to enter into a contract.
- 20.2 The Proposal selection criterion is the most economically advantageous proposal, according to the evaluation methodology described in this Section below.
- 20.3 **The most economically advantageous criteria for lot No 1:**

20.3.1 Maximum possible number of points: 100 points. The most economically advantageous proposal is the proposal which has obtained the highest number of points (P), summing up the calculated points for the criteria according to the following calculation algorithm: $P = K1 + K2$, where:

K1 - number of points obtained for the evaluated criteria mentioned in Table No 1;
K2 - number of points obtained for the evaluated criteria mentioned in Table No 2.

The number of points to be awarded to each Proposal for criterion K1 for the sub-criteria included in Table No 1 is calculated as follows: $K1 = K1.1. + K1.2. + K1.3. + K1.4. + K1.5. + K1.6. + K1.7. + K1.8. + K1.9. + K1.10. + K1.11. + K1.12. + K1.13. + K1.14. + K1.15. + K1.16. + K1.17. + K1.18.$

The number of points to be awarded to each tender for criterion K2 for the sub-criteria included in Table No 2 is calculated as follows: $K2 = K2.1. + K2.2. + K2.3. + K2.4.$

Note: When calculating the points, if the division is performed with 0 (zero), a value of 0,01 is added to each of the comparable indicators.

20.3.2 Points to determine the most economically advantageous proposal will be calculated in the following criteria:

- 20.3.2. It is not allowed to divide or combine the positions mentioned in Table No 2. If the Tenderer has divided or combined any position in the Table No 2, his Proposal will be deemed as non-compliant to the requirements stipulated in the Section 19.1 of the Regulation and will not be evaluated further.
- 20.3.3. In case several Proposals will obtain equal highest number of points (P), the Procurement commission will award the right to conclude the Contract to the Tenderer which will obtain higher score for criteria K2 described in the Table No 2. If also this score will be equal, then the Procurement commission will invite representatives of those particular Tenderers and will organize a draw. In situation, when representatives of Tenderers choose to not be present at the draw, the Procurement commission will carry out the draw without representatives of Tenderers presence by inviting impartial participant from the Contracting authority.

20.4. The most economically advantageous criteria for lot No 2 and lot No 3:

- 20.4.1. Maximum possible number of points: 100 points. The most economically advantageous proposal is the proposal which has obtained the highest number of points (P), summing up the calculated points for the criteria according to the following calculation algorithm: $P = K1 + K2$, where:

K1 - number of points obtained for the evaluated criteria mentioned in Table No 1;

K2 - number of points obtained for the evaluated criteria mentioned in Table No 2.

The number of points to be awarded to each tender for criterion K1 for the sub-criteria included in Table No 1 is calculated as follows: $K1 = K1.1. + K1.2. + K1.3.$

The number of points to be awarded to each tender for criterion K2 for the sub-criteria included in Table No 2 is calculated as follows: $K2 = K2.1. + K2.2.$

Note: When calculating the points, if the division is performed with 0 (zero), a value of 0,01 is added to each of the comparable indicators.

- 20.4.2. Points to determine the most economically advantageous proposal in each lot will be calculated in the following criteria:

21 TENDERER CHECK PRIOR TO MAKING THE DECISION REGARDING THE CONCLUSION OF THE CONTRACT

21.1 Prior to making the decision about assigning rights to conclude the Contract, the Procurement commission performs a check regarding the existence of grounds of exclusion for Tenderer, members of a partnership (if the Tenderer is a partnership), persons on whose capacity Tenderer is relying on to certify its compliance with the requirements and subcontractors.

21.2 If the Procurement commission establishes that in the information system determined by the Cabinet of the Republic of Latvia, according to the information posted on the date of the last update of data in the public tax debtors' database and the Administration System of Immovable Property Tax of the State Revenue Service

- Tenderer;

- member of a partnership (if the Tenderer is a partnership);
- subcontractor the value of the services to be provided by which amounts to at least EUR 10 000;
- person on whose capacity the Tenderer is relying to certify its compliance with the requirements;
- beneficial owner of the Tenderer; or
- person who has decisive influence in the Tenderer on the basis of participation within the meaning of the laws and regulations regarding groups of companies (concern);

has outstanding tax liabilities on the last day of the time limit for the submission of Proposals or on the day when the decision is taken to possibly award the Contract, the Procurement commission will set the time limit - three working days after the day of sending an information request - for the submission of the evidence - a statement from the Electronic Declaration System of the State Revenue Service, a statement issued by a local government that the relevant person did not have debts of the immovable property tax or any other objective evidence regarding non-existence of tax debts or tax liabilities - that the Tenderer or any other person listed above in this Section of the Regulations did not have any outstanding tax liabilities on the relevant day.

- 21.4 If the Tenderer fails to submit required evidence before the deadline, the Procurement commission excludes the Tenderer from participation in the Open competition.
- 21.5 Change of persons on whose capacity Tenderer is relying on to certify its compliance with the requirements or subcontractors the value of the services to be provided by which amounts to at least EUR 10 000 is performed in accordance with Sections 9.4 and 10.2 of the Regulations respectively.
- 21.6 In the event the Tenderer or partnership member (if the Tenderer is a partnership) fails to comply with requirements stipulated in Section 8.1 of the Regulations (except Section 8.1.2, 8.1.12 – 8.1.13 of the Regulations) and has indicated this in the Proposal, upon Procurement commission's request it submits an explanation about the implemented measures in order to restore reliability and prevent occurrences of the same or similar violations in future, as well as attaches evidence which proves the implemented measures, such as but not limited to evidence about compensating damages, on cooperation with investigating authorities, implemented technical, organizational or personnel measures, an assessment of a competent authority regarding the sufficiency of the implemented measures etc. The Procurement commission assesses such information. If the Procurement commission deems the measures taken are sufficient for the restoration of reliability and the prevention of similar cases in the future, it makes the decision not to exclude the Tenderer from participation in the Open competition. If the measures taken are insufficient, the Procurement commission makes the decision to exclude the Tenderer from further participation in the Open competition. If the Tenderer within the indicated time does not submit the requested information, Procurement commission excludes the Tenderer from participation in the Open competition.

22 DECISION MAKING, ANNOUNCEMENT OF RESULTS AND ENTERING INTO A CONTRACT

- 22.1 The Procurement commission selects Tenderers in accordance with the set selection criteria for Tenderers, verifies the compliance of the Proposals with the requirements stipulated in the Regulations and chooses the Proposal in accordance with the contract award criteria as described in Section 20 of the Regulations. In each lot the most economically advantageous Proposal shall be selected.
- 22.2 Within 3 (three) business days from the date of decision about the Open competition results the Procurement commission informs all the Tenderers about the decision made by sending the information by post or electronically (including on the E-Tenders system) and keeping the evidence of the date and means of sending the information. The Procurement commission announces the name of the chosen Tenderer, indicating:
- 22.2.1 to the rejected Tenderer - the reasons for rejecting its Proposal;
 - 22.2.2 to the Tenderer who has submitted compliant Proposal - the characterization of the chosen Proposal and the relative advantages;
 - 22.2.3 the deadline by which the Tenderer may submit a complaint to the Procurement Monitoring Bureau regarding violations of the public procurement procedure.
- 22.3 If the Procurement is terminated (in any particular lot or in general), the Procurement commission within 3 (three) business days simultaneously informs all Tenderers about all the reasons why the Open competition is terminated and informs about the deadline within which a Tenderer may submit a complaint to the Procurement Monitoring Bureau regarding the violations of the public procurement procedure.

- 22.4 The Procurement commission when informing about the results has the right not to disclose specific/confidential information, if it may infringe upon public interests or if the Tenderer's legal commercial interests or the conditions of competition would be violated.
- 22.5 As soon as possible but not later than within 5 (five) business days from day when the decision about the results of the Open competition is taken, the Procurement commission prepares a report of the Open competition and publishes it on the Contracting authority's profile in E-Tenders system's webpage <https://www.eis.gov.lv/EKEIS/Supplier/Procurement/107094> and on Contracting authority's webpage <https://www.railbaltica.org/tenders/>.
- 22.6 The selected Tenderer upon receiving the notification from the Procurement commission must:**
- 22.6.1 within 5 (five) business days - to submit to the Contracting authority a copy of a partnership agreement or notification regarding the establishment of the partnership, if required pursuant to requirements under the Section 7.1.2.1 of the Regulations;
- 22.6.2 within 10 (ten) days from receiving the invitation - to sign the Contract.
- 22.7 The Contract in each Lot will be concluded based on the selected Tenderer's Proposal and in accordance with the Annex No 7 "Draft contract" of the Regulations for specific Lot.
- 22.8 The Procurement commission has the right to choose the next most economically advantageous Proposal, if the Tenderer in the time stipulated by the Regulations:
- 22.8.1 refuses to conclude a partnership agreement or to establish the partnership in the cases and deadlines defined by the Regulations or in the cases and deadlines defined by the Regulations does not submit a copy of the partnership agreement or does not inform of the founding of a partnership company;
- 22.8.2 refuses to conclude the Contract or does not submit a signed Contract within the deadlines defined in the Regulations.
- 22.9 In any of such cases mentioned in the Section 22.8 of the Regulations, the Procurement commission is entitled to terminate the Procurement without selecting any Proposal or to select the Proposal with the next most economically advantageous Proposal. For either of these decisions a written decision must be made.
