### Electronic Procurement System

**An answers to the questions from the interested supplier  
in the procurement "Rail Baltica Global Project Design Review and Approval Process Improvement  
(Six-Sigma)", identification number RBR 2023/16**

RB Rail AS presents following answers to the questions received from the interested supplier until 23 November 2023:

Nr.	Question	Answer
1.	<p>In the procurement Regulations Section 13.2.2. it is stated Upon submission, the Tenderer signs the Proposal with secure electronic signature and time-stamp or with electronic signature provided by Electronic Procurement System. The Tenderer can use secure electronic signature and time-stamp and sign Application form, Technical proposal, Financial proposal and other documents separately. The Proposal (its parts, if signed separately) is signed by an authorized person, including its authorization document (e.g. power of attorney) expresis verbis the authorisations to sign, submit and otherwise manage the documents".</p> <p>For electronic signature is it meant digital sign?</p>	<p>Yes, electronic signature mentioned in the procurement Regulations is also the digital sign that contains a time stamp and will be considered as a valid secure electronic signature.</p> <p>It is possible to verify the signature here: <a href="https://ec.europa.eu/digital-building-blocks/DSS/webapp-demo/validation">https://ec.europa.eu/digital-building-blocks/DSS/webapp-demo/validation</a></p>

Sincerely,

Procurement commission chairperson / secretary

Z. Nore
