Answers to the questions received from the interested suppliers in the open competition

"Identification of unexploded ordnance and geotechnical works in former Cekule military area", identification number RBR 2021/10

RB Rail AS presents following answers to the questions received from the interested suppliers until 28 May 2021:

| Nr. | Questions | Answers |
|-----|---|---|
| 1. | Is it possible to be provided with a document showing the definitive site boundary (eg GeoTiff) annotated with areas intrusive activity is planned? | <p>Procurement commission clarifies that Cekule area can be defined as land plot with cadastre number 80960060065 (more information including maps of the area publicly available on https://www.kadastrs.lv/). The approximate outline of the land plot boundary is shown in file "Cekule_area" (please see Appendix No 1 to this letter).</p> <p>The approximate investigation area is shown in file "Investigation_area" (please see Appendix No 2 to this letter). Please note that the defined area shall not be cleaned throughout, but only the part necessary for investigation works defined in Technical specification (Annex No 2 of Regulation).</p> <p>Files are provided both in *.dwg and *.shp formats and located in LKS-92 co-ordinate system.</p> |

Appendixes (files):

1. Cekule_area.dwg/.shp
2. Investigation_area.dwg/.shp
