RB Rail AS presents following answer to the questions received from the interested supplier until 1<sup>st</sup> September 2025:

No	Question	Answer
1.	Should the Technical Proposal also include a description/explanation of the additional services? And if so, should this description be detailed?	No, Technical proposal should not include additional services (Section 2.7. – 2.8. of the Regulations).  For informative purposes Tenderer may include general description of additional services clearly separating it from main methodology document. The additional services description will not be subject of evaluation.
